In my letter cited above, proposals forthe appointment of 232 Messengers, one for each Agricultural demonstrator were submitted. The matter is under the consideration of Government.

2. The above proposal does not include messengers fo the 52 plant Protection Assistants. The two Plant Protectio Assistants, attached to each district have to cover the entir district, instead of a taluk or portion of a taluk as in the case of an Agricultural Demonstrator. The service of a messenger to each is equally necessary.

3. I, therefore, request that Government may be pleased to sanction the appointment of 52 messengers for Protection Assistants also. The additional expenditure on this account will be Rs.18,720/- as detailed in the annexure.

ANNEXURE.

Pay of 52 Messengers at Rs.12/- per mensem.		Rs.624
Dearness Allowances -do- at Rs.18/-	do	936

Total for one year (1560 x 12) 18,720.

Previously each of the Agricultural Demonstrators working in the districts ~~x~~ were having the assistance of a messenger. The salaries and allowances of the messengers were paid out of contingencies. With reference to the recommendation of the Special Officer for contingencies, the Director of Agriculture abolished all the posts of messengers from 3-1-1949. But in April 1949, the Director of Agriculture proposed the revival of the posts on the ground that the work of the Agricultural Demonstrators was much handicapped due to want of services of messengers. The proposal was considered by the S.F.C. and the Cabinet and sanction was accorded in G.O. No.1505 F. & A. d/30--11-1949 for the employment of a messenger under each of the 232 agricultural Demonstrators ~~x~~ working in districts.

2. Before issue of the above orders, the Director of Agriculture had submitted proposals for the employment of 100 additional agricultural Demonstrators in some of the heavy taluks and also the appointment of an equal number of messengers for work under them. Pending decision of the general question of appointment messengers under A.D.s sanction was accorded in G.O. No. 901 Food and Agriculture, dated 6-9-1949 for the employment of 100 Agricultural Demonstrators only. In

of the orders issued in G.O. No. 1505 Food and Agriculture dated 30--12-1949, the Director of Agriculture has now suggested the appointment of a messenger under each of these 100 additional Agricultural Demonstrators. A

The Director of Agriculture has further recommended the appointment of a messenger under each of the 52 Assistants w who are now on plant protection work in the districts. B
